## **Admin Report**

May 2024

\*1. RD/(AD) Bringing RSC from under the RSO umbrella (Carlos) Pros

Not having to wait for the RSO to make changes (banking, etc), Get our own insurance and be able to help other areas Cons

Process takes a long time

Potential filing issues

\*Ramon - We could create workgroup with treasurer, possibly outside CPA, and other members to investigate this and then present to RSC body

\*Danette - Prudent for us to be on our own, process takes time, potential filing issues

\*Mark - remembers that we're under the RSO because it was a matter of convenience but should check with old timers to see what the past reasoning was.

\*Ezra - What happens to areas that want to umbrella under us? What if they fold?

\*KB - Suggested some old timers to talk to. Reason was like Mark said and also because the RSO had a physical address.

\*Mark - Need physical address

\*Colin - Might be a different 501c designation now - like 6 instead of 3

<https://www.boardeffect.com/blog/501c3-vs-501c4-vs-501c6/>

2. RD/(AD) FRCNA asking that RSC take over the May RSC going forward in 2025

They don't need a registration drive/"fundraising" event

This means we'll be responsible for the cost of 6 RSCs not 5 because FRCNA sponsors - \$1,800 plus reimbursements It would be a Guide change and would need to come as a proposal

May harm unity

Maybe ask FRC to continue to pay but we actually produce it

Aggravating for them to get insurance certificate from RSO for event, Marcia had to reach out to insurance directly

If we didn't have them sponsoring we could keep May RSC at Rosen Shingle

Suggested that we let FRC bring this to the body and let them decide, not a decision for Admin to make - RD/AD will ask them to bring a proposal

3. RD/AD/Fac) Strategic planning should happen with special meetings not during admin meetings to make sure we are conducting RSC business and prepared for RSC weekends.

When?

4.RD/AD Banking situation needs to be handled already

5.RD/AD went to the bank and made changes Updated verification numbers

6.Strategic Planning follow up

Everyone feels on track

Every position gives a summary to present to the body in the interest of transparency (goals that have been met and ones that are still in progress, etc.)

7.Making RSC treasurer a special worker position

Then wouldn't have to come to RSC Could keep things in order and keep things from dropping off (tax returns, logging, etc.) Treasurer is a resource on the floor Could help to find/keep treasurer. None of the other positions are funded

8.Admin to host Saturday night event If skit isn't ready then maybe we'll have a speaker?

9.FD - Asked for topics to not be pushed to FD Discussionary topics belong in FD

April 2024

1. Discuss Saturday night event that Admin is hosting on RSC weekend in May (co-fac) - SJ is making a skit, will reach out after its done

2. Is HRP ready for elections (acclimations) in May? (co-fac) - yes, none coming up

## **Secretary Report**

### **Event Board**

We have purchased a corkboard that we brought to Region to have area events posted on. We will be bringing this to future RSC weekends, especially FD Saturdays so that area event flyers can be posted and seen by the attendees of FD who may not otherwise see the flyers. Please bring a paper version of your flyers with you to future weekends to post.

### **Printed Minutes**

The RSO has returned their leased printer which we are told means we can no longer have them print and mail the minutes. As such, we will work to find a new best practice for how to mail printed minutes.

### **Roll Call**

As a reminder, we have made improvements to the attendance tracking you will see in the minutes. This is to more appropriately track attendance. We will track (P) present, (A), absent, (LV) Late/Left Voting, (LNV) Late/Left not voting. Late/left voting will indicate that even though the area was late or left early they were here for voting. Late/left not voting will indicate that the area was late or left early and was not present for voting. We will also now be showing the morning and afternoon attendance.

### **Printed Minutes**

The RSO has returned their leased printer which we are told means we can no longer have them print and mail the minutes. As such, we are requesting the agreement from the body to go completely paperless, and just deliver digital copies of the minutes by email.

Area Support:

Heartland: MAT and DRT was discussed and how do we discuss this with those in treatment who are asking if they are clean. What do we say and how do we respond when we go into the treatment centers/facilities?

- \* State you don't have an opinion and point them to the literature
- \* IPs refer specifically to this topic \* 3rd tradition in basic text
- \* Encourage them to get a sponsor and share that it's between them, their sponsor, and their higher power.

Do all funds go back to area from subcommittees? \* Suggested to let the body decide where the funds go \* literature talks about fund flow, money matters \* group does what they want to do, autonomy in the group

- \* answer to area should have budget and answer to area; anything over budgeted amount should go back to area as a donation

Heartland: Can HG's provide Narcan and not be in violation of traditions \* Keep Narcan in the HG box\* Should not use 7th tradition funds to buy Narcan \* difference between promotion and distribution.

Forest Area: many of the H&I panel members want to change the "don'ts" Don't give out phone numbers

Don't go in alone

Don't sponsor

- \* The other fellowship doesn't have these rules
  - \* Do's and Don'ts were created from hard won experience after certain events/circumstances \* generates new members

  - \* Should follow facility rules and standards
  - \* Some facilities do not allow distribution of phone numbers.

Bay Area: H&I panel leader admits to using doctor prescribed medical marijuana and they had a vote and it did not pass to remove him\* Read bulletin 29 \* What do we do for members who really need medical marijuana for medical reasons?

- \* You are a member when you say you are but anyone in a service position should not be under the influence of any kind
- \* addicts should be their own advocate
- \* Maybe suggest being a panel member not a leader. \* mental health and medication IP \* Some detox centers accept those who are on medical marijuana \* In times of illness IP

Can facilitator explain the differences between CBDM and Robert's rules \* Region uses hybrid - financials and elections is Roberts rules \* Admin team can visit area

- \* How much will it cost?

- \* What happens to all the people who are local and smaller areas who are unable to attend for financial reasons?

- \* What about a different hotel and other cost savings?

- \* Is a virtual symposium an option?

- \* Can we charge a registration fee to help offset the cost and keep it at a regional level?

- \* Outside of money, what is the purpose of giving the symposium to the zone?

- \* When will it be if the zone takes over?

- \* An idea of doing smaller local learning days if we pass the symposium to the zone?

- \* What about cutting back many of the costs, banquets, merch, coffee, etc.

- \* Member wanted to keep it in FL and work with south Florida to make it a full Florida symposium and will also do some healing/goodwill.

- \* Instead of just keeping it the same and passing it off to the zone, investigate possible changes

- \* Member thinks it should start with addicts getting volunteers to the area

- \* Before passing along to zone, look at additional help possible committee adding different workshops and more @ an area level service

- \* Are we holding onto something bigger than ourselves?

- \* Is zone ready and willing to take over?

## ***H & I Resource Coordinator Report***

The current H&I budget is still applicable, and no changes need to be made at this time. I will be starting to have a monthly H&I virtual meeting, and I would encourage all area H&I facilitators to attend. Details will be sent out as soon as I have them. More will be revealed. There is nothing else to report at this time.

## ***Public Relations Resource Coordinator Report***

May 4th, we were invited and attended the Recovery Coast's, free food, learning day and we gave a small PR presentation.

The Forest Area PR subcommittee chair came and shared with the Recovery Coast what the Forest area's PR committee has been working on and the upcoming events.

We met with Fellowship Development team virtually on April 12th and May 10th to discuss some topics for discussion on May 18th RSC.

On May 13th we met with the area PR chairs for our Bi-monthly meeting. We had 11 areas in attendance. All areas shared what their PR committees have been working on and their upcoming tasks and events including any accomplishments and concerns. The Areas shared their Plans for PR week which will be the first week of June. The Southeastern Zonal Forum (SEZF), PR Task Force Online Meeting meets virtually every month. The next meeting is scheduled for May 22, 2024 @ 8pm - 9pm. All members are invited to join, and it is a great opportunity for PR Committee Chairs and Vice Chairs to stay connected and access resources. The meeting information is Join Zoom Meeting <https://zoom.us/j/898667927> Meeting ID: 898 667 927 - you can also go to [sezf.org](https://sezf.org) for all meeting information.

Another wonderful resource for all PR enthusiasts is the NAWS Web meetings. Currently they are meeting quarterly, if you email the below email, you can get updated emails to keep you up to date on when the next meet is scheduled. Public Relations web meetings are a gathering of area & regional PR trusted servants who share their experiences and challenges with PR service; topics are identified by PR trusted servants. For more information or notes from previous meetings, write to [pr@na.org](mailto:pr@na.org).

If you have any questions or would like additional information, please do not hesitate to contact myself or Cindy - our emails are [prc@naflorida.org](mailto:prc@naflorida.org) and [prcc@naflorida.org](mailto:prcc@naflorida.org)

As a reminder if you need any help with your websites or emails or have any questions, please reach out to me. We also have a member offering their services for website design and maintenance. If you are interested in this please reach out to me directly.

We have positions available on the IT panel. If you are interested, please contact myself or HRP for more information. We are also in need of an Alt IT Coordinator. Please make sure your form is up to date and submitted to the HRP if you are interested.

Please join the workgroup if you want to serve but not sure how.

**HOW TO GET CLEARED FOR BEHIND THE WALLS AND BETWEEN THE WALLS  
SERVICE 1. Familiarize yourself with the process:**

It is a requirement to be registered with the State of Florida Department of Corrections volunteer system as well as complete a background check and fingerprints to attend an NA meeting in person at a prison or over Zoom that is streaming into a state or federal institution.

If the process is confusing, I have attached a PowerPoint presentation going over the process that is built and distributed by the DOC. Please contact me if anything is still confusing after reviewing this presentation.

## 2. Apply to be a Florida DOC Volunteer

Florida DOC Volunteer Application

<https://apps.fdc.myflorida.com/VolunteerApplication/volunteer/create>

The DOC has an email problem so sometimes the volunteer forms don't get through. If you don't get an email right away when you submit your first volunteer form, (check spam), then contact me to give you another link to try. 3. Inform the Corrections Coordinator for applicant tracking

Forward the response email you received from the state of Florida when you applied at the link above to the Corrections Coordinator at [crc@naflorida.org](mailto:crc@naflorida.org). You can also text me at 352-642-2680.

## 4. (Optional: Track yourself in the system:

The DOC has an email problem so sometimes the volunteer forms don't get through. If you don't get an email right away when you submit your first volunteer form, (check spam), then contact me to give you another link to try.

## UPDATES

Flyers for the Behind the walls, Hope Rises Book Project, Between the Walls, Bridging the Gap, and the Inmate Step Working Group are all attached to my report, please print or email them and share them at your homegroups and areas.

## Tablets!

An ongoing desire and thus task within the Corrections workgroup is to provide the literature approved by NAWS to be shared on the android-based tablets provided by the DOC. The legal department at the DOC has gotten back to the substance abuse bureau and the memorandum of understanding describing this relationship and what would be shared on the tablets has been approved. This has taken a few years so the DOC Substance Abuse Bureau wanted an updated memo. I worked with NAWS for this request and NAWS wanted all the DOC institutions specifically named in the document, so that has been done and submitted back to the Substance Abuse Bureau. We are meeting monthly with the Florida DOC and the current status

is that all of the docs are getting manually read and listened to ensure nothing weird is on them. This should be done in the next month or so.

The Between the Walls meetings have started and it's every Thursday from 10:30a to 11:30a. We need help and volunteers to share their experience, strength, and hope with the addicts behind the walls over zoom. Please share this with your areas and groups and distribute the flyer attached to my report at your groups.

We always want to mention and thank the East Coast Convention for their large annual donation of basic texts every year since I've been involved. Please find a Corrections Coordinator to join the workgroup Colin H

We have been informed that you will get a color code when you register and that is how seating will take place in the main meetings. So, if you want to sit with certain people please try to register together or within the same time frame. It is something the convention organizations in DC do. This has nothing to do with us as a fellowship or any rules we are trying to implement.

1. There will be an App for the convention this year on the program and any updated information there will be no paper program this year to save on the cost of printing and updates on changes to program in real time

Mostly will be essential business and a vote of confidence will probably be enough

We have a Survival kit coming soon about 30 days away.

The office plans to publish a bundle collecting chapters on the Steps from NA's books.

Three different NA books contain information about the Twelve Steps. We are Proposing to bundle this material into one boxed set titled The NA Survival Kit. For each

Step, the Survival Kit would include the section from the Basic Text chapter "How It Works," the chapter from It Works: How and Why, and the chapter from The NA Step

Working Guides, with the questions numbered rather than bulleted.

RE: RSC Report

Good

---

afternoon, Florida Region,

The FRCNA, Inc. BOD met yesterday May 18, 2024, onsite. Two members joined virtually. As you know we are six weeks out from the launch of the FRCNA 42!!! Don't forget July 4th is on Thursday this year, we have a "soft opening" on "July 3rd, Wednesday afternoon. Registration will open at 2:00PM and Merchandise opens at 2:30PM, there will be an afternoon workshop and a main speaker at 7:30PM. We discussed how we have transitioned from paper registrations to online transactions. The function of FRCNA sponsoring FRSC weekend in May was originally a pre-registration drive. We no longer need registration drive events as pre-registration is done online all year. We sponsor the weekend with supplying coffee at the current cost of \$2,000 for the weekend. We would like to propose that we call it the FRCNA pre-convention RSC weekend and encourage the fellowship to participate. Our BOD meets all day onsite on Saturday, we are asking the Region to assist with arranging a Saturday evening activity that we can all enjoy. May has become extremely busy for us with merchandise inventory, registration packets, filling workshop speakers and chairpersons, organizing and training volunteers, hotel-AV set-up meetings, etc.

Recent updates:

All Main speakers have been confirmed, our Non-Regional speakers are from Arizona, Connecticut, New York and Regional speakers from Daytona, Palm Coast, Space Coast and Tampa Funcoast. Thank you to our Program Support Committee for a great job and now they are working on filling the workshops with speakers and chairpersons. If you or someone you know would like to be a workshop speaker, 4 years and/or chairperson 3 years clean time requirements. Contact Dennis J. @ nadennisj@gmail.com or info@frcna.com. There is a flyer posted on the FB page, Twitter and Instagram. We will send it out via an email blast through the website.

All merchandise and registration items have been delivered and inventoried. The Program has been finalized and is ready to go to print. We will have Escape adventures during the day and 2 actual in-room Escapes (Thu & Fri). Yoga....

We encourage you to pre-register and book your hotel room now. There are a limited number of rooms. If you have trouble booking a room, questions, concerns please email us at info@frcna.com. Hotel information: Rosen Plaza located at 9700 International Drive Orlando, FL 32819. Double occupancy rooms are \$142/night. \$20 charge for additional guests above two per room. Self-parking will be \$8 with in/out access.

Support Committees are wrapping up the planning phase of the convention, we are looking for members to get involved in the execution of the convention, set-up and breakdown, Serenity Keepers & Greeters, Hospitality/Escape Room, Merchandise and Entertainment. Next Support Committee meeting is Sunday, June 2, 2024, from 10AM - 12PM at the Rosen Plaza.

We need volunteers from set-up on Tuesday and more importantly break down on Sunday. We ask that you email info@frcna.com or sign up on the "Volunteer" tab.

Have you signed up to volunteer, is your Area on a roll to capture the Service Banner? Let's goooo!!!
